FOREWORD

The school year 1968 is drawing to a close. For some it means the end of a school career while to others it symbolizes a stepping-stone toward further school associations.

But the year has held memories for all of us, and it is those memories which your annual staff has tired to capture in the pages of the '68 *Wildcat.*

The work has been hard and sometimes discouraging, but now we hope that we have a yearbook of which we can be proud. To our sponsor, Mrs. Kay Slaughter, and to everyone who helped to make our annual possible, we express our gratitude.

And now the time has come when we, the annual staff, will discover whether our efforts have been successful. We hope that your annual will serve as a storehouse for many memories, and as editor, I proudly present to you the *WILDCAT* 68.

The football team of J. F. Webb High has earned the respect and gratitude of students and faculty.

Our "Wildcats" broke several records during the season. They scored the most points of any season —189; they made the most yards rushing in the game with Southern; they intercepted 12 passes; and finished with a record superior to any made previously.

As a team the "Wildcats" displayed many fine traits: unselfishness, determination, perserverance, pride, and teamwork. And at all times they showed true sportsmanship.

The annual staff proudly dedicates the '68 *WILDCAT* to our football team, the real "Wildcats" of Webb High.
